Hey peeps,

I was wondering if there is any support for the idea of taking Dad out for dinner on his birthday (this Tuesday). I was thinking of The Cove Indian restaurant (<http://www.urbanspoon.com/r/338/1370213/restaurant/Perth/Melville/The-Cove-Indian-Restaurant-Attadale>), which has the advantage of being Indian, not too pricey, a pleasant place to eat and not too far from Louise and Rupert's. We would each pay our own way.

'Reply all' with your thoughts asap, because if we want to do it we would have to book soon.

Best,

Angus

Hello :)

I think it's a great idea. The Cove is a good place to eat. Rupert, Louise and Hamish: I hope you can make it!

Great idea, may I recommended Mother India instead? <http://www.urbanspoon.com/r/338/1520388>

It has all the other attributes, but is even closer. I'm sure that Glen would like Hamish to come so perhaps start at 6?

Either restaurant is fine with us.

Rupert

That looks great, but unfortunately they're not open tuesdays :(

We've booked The Cove (7ppl + baby) for 6pm on Tuesday, but if there is anything better we can always cancel that.

We discussed that as a possibility, but I haven't called them yet. As it stands, we're still booked in at the Cove. Which would you prefer? Both are about the same distance from your place, but I suppose the Maharajah is closer to your work if you're coming from there. In any event I'm going to call them when they open and see if they have a space for us.
