Dear Ms Silah,

I understand that this is late notice, but due to a change in my circumstances I was wondering whether it would still be possible to arrange a single graduate apartment in UTown for the summer term?

Kind regards,

Angus McLeod

Hi Angus,

I will place in your housing application as my colleagues are in the midst of sorting out room assignments. There's still time, so let me know the estimated date of arrival and departure and I assume you would like to have single graduate apartment AIRCOM at UTown.

Let me know.

Warm regards,
Silah

Much appreciated Silah.

I will be arriving on Saturday, May 4, and moving on Saturday, August 4 to private accommodation. In other words I will only be staying for the duration of the Summer Term.

I confirm that I wish to apply for the SGA in UTown.

Many thanks,

Angus

Hi Angus,

It's very likely that the programme will assist to make the application and acceptance fee on your behalf.

When registering at NUS Law, you can always pay us back then.

Do you have the estimated time you will arrive in Singapore?

May 5 is a Saturday and public holiday in Singapore. Please do read through the official housing offer on the check-in procedures.

Keep in touch.

Warm regards,

Silah

Dear silah,

I see what you are saying about the check-in. I have just reviewed my flight and I can change it so that I arrive on the 7th, i.e the Monday. Would that make it easier from an administrative standpoint?

Kind regards,

Angus.

Hi Angus,

Yes, it will make it easier (esp. about the deposit part) but we are doing this for other students, so it's ok.

The important thing is that you give yourself sufficient time to settle down. If you think that May 7 will still works for you, then just let me know.

Warm regards,

Silah

Hi Silah,

I feel confident enough about settling in, so I'll make it the 7th. I'll arrive at the Residence on Monday the 7th of May at about 9am (my flight comes in early in the morning).

Thanks again for your help.

Kind regards,

Angus.
